

Steps for Registering your Ohio Bred Foal

1. Register your mare with the Ohio State Racing Commission by July 31st of the year bred. Cost is \$100 initially and \$25 each year the mare will be bred for an Ohio foal thereafter.
2. Make a foaling notification with The Jockey Club within 30 days of foal's date of birth.
3. Make a foaling notification with the Ohio State Racing Commission within 60 days of the foal's date of birth. Register your foal as an Ohio Bred, registered foal (sire of foal outside of Ohio or not registered with OSRC) or Accredited foal (sire of foal is registered with OSRC) by October 15th of the year the foal is born. Cost is \$25. If this registration is late, the fees are as follows:
 - Year born October 16-December 31 - \$75
 - Weanling year - \$150
 - 2 Year old year - \$300
4. Register the foal with The Jockey Club within 1 year of the foal's date of birth. You will receive a DNA kit and a registration form in the mail when the foal is about 3 months old as long as the foaling report was made within 30 days of foal's date of birth. The DNA kit must be mailed. You can do this registration through the mail or online at The Jockey Club website. At least four conformational photos are required for the registration.
5. The stallion certificates are generally released electronically through The Jockey Club once all bills for breeding your mare and stallion fees are paid in full. They can also be mailed.
6. In order to receive any breeder's rewards, a yearly breeder's license is required. Currently the cost is \$10 per year.
